

Responsible Impact Board Master session on Climate Governance

Date: 17 November 2022

Time: 17:00 – 18:30

Location: online (Zoom)

Introduction

At the end of COP27, this session will provide Board members and CEOs with insights how to reach the Paris Agreement, implement net zero targets and the TCFD recommendations.

Objectives

- Get insights from COP 27 and learn about the rules and processes a company puts in place to manage climate-related risks and opportunities
- Understand why climate governance is a board responsibility
- Discuss the implications of these developments for board members
